Re: Cascades Municipal Golf Course
Nine Hole Addition

Dear Mr. Enright,

This letter is to notify you of future grading operations around an existing section corner monument in Bloomington Township. The monument is at the intersection of sections 16, 17, 20 and 21. I have employed the services of Bledsoe, Tapp & Riggert, Inc. to do our construction staking and have had a conversation with Ben Bledsoe regarding this monument. They have witnessed the existing monument and will have a good record regarding its exact location so we can install the new monument correctly. We welcome your input so it can be installed to your satisfaction and be within local government regulations. If you have any questions, please feel free to contact us.

Sincerely,
Weddle Bros. Const. Co., Inc.
